INTERNATIONAL SEARCH REPORT

(PCT Article 18 and Rules 43 and 44)

| Applicant's or agent's file reference P-6259-PC | FOR FURTHER see Form PCT/ISA/220 ACTION as well as, where applicable, item 5 below | | | |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------|--|--|
| International application No PCT/IL04/01182 | International filing date (day/month/year) 29 December 2004 (29.12.2004) | (Earliest) Priority Date (day/month/year) 31 December 2003 (31 12 2003) | | |
| Applicant 2507 (2512.250) | | | | |
| GIVEN IMAGING LTD | | | | |
| This international search report has been prepared by this International Searching Authority and is transmitted to the applicant according to Article 18. A copy is being transmitted to the International Bureau This international search report consists of a total of sheets It is also accompanied by a copy of each prior art document cited in this report | | | | |
| 1 Basis of the Report a. With regard to the language, the international search was carried out on the basis of the international application in the language in which it was filed, unless otherwise indicated under this item | | | | |
| The international search was carried out on the basis of a translation of the international application furnished to this Authority (Rule 23 1(b)) | | | | |
| b With regard to any nucleotide and/or amino acid sequence disclosed in the international application, see Box No. I | | | | |
| 2 Certain claims were found unsearchable (See Box No II) | | | | |
| Unity of invention is lacking | ng (See Box No. III) | | | |
| 4 With regard to the title, the text is approved as subn | nitted by the applicant | | | |
| | d by this Authority to read as follows: | | | |
| | | | | |
| 5 With regard to the abstract, | | | | |
| the text is approved as subm | • • • | | | |
| the text has been establishe may, within one month from | d, according to Rule 38 2(b), by this Authority in the date of mailing of this international search | h report, submit comments to this Authority | | |
| as suggested by the as selected by this as selected by this | Authority, because the applicant failed to sugg Authority, because this figure better characteri | | | |
| b none of the figures is to be published with the abstract | | | | |
